

Ann Heinz (center), co-owner, sees parallels between Lands' End and Three Tarts Bakery and Café. "Our focus is the same: quality, value, service. We allow employees to choose the styles and colors they want. The only thing uniform is our logo."

Kathy Sharp (third from left) is the tireless owner of Kendall Hill Nursery. "Your logo'd apparel helps our team feel connected to this growing company. It reflects how the team feels about their work and the impact they have on our success."

Tina (left), orthodontic assistant at Wheaton Orthodontics, likes the style and comfort we offer. "The clothes convey our professionalism and confidence. And they're easy care."

ON THE BUSINESS OF OUTFITTING.

Let your logo be the unifying link.

Lands' End offers apparel for everyone from leaders to laborers. Which is why we make it easy to expand your apparel options.

Send us your logo online. Once it's created (a process that takes about 10 days), you can preview it online on your choice of styles and colors. Offer your team our entire catalog of options. We'll make sure each person is unified by your brand.
